RECYCLE THESE ITEMS CURBSIDE

Residential and Commercial Recycling

Trash and Recycling collection is not provided by the township. It is up to each residential unit to contract with a local hauler for these services. *Some haulers collect more items than we require in our ordinance, so check with your hauler to be sure you are making the most of the recycling program.*

Commercial, industrial and municipal establishments must recycle office paper and corrugated cardboard as well as the items mandated for residential.

South Lebanon Township's Yard Waste and Recycling Center located at 3 Linden Road has drop off bins available for residential and commercial establishments to recycle corrugated cardboard, mixed paper, aluminum cans and bi-metal cans. Please do your part to improve recycling in our community, by placing only recyclable materials in the bin. Remember...
