Fall / Winter 2024

## South Lebanon Fire Department

In 2023 the Friendship Fire Company, South Lebanon Fire Co # 1, and Prescott Community Fire Company merged to form the new **South Lebanon Fire Department (SLFD)**. During this merger the names of the stations changed:

- **SLFD West Station** – formerly *Friendship Fire Co.*
- **SLFD Central Station** – formerly *South Lebanon Fire Co. #1*
- **SLFD East Station** – formerly *Prescott Community Fire Co.*

If you are interested in serving as a volunteer in our community, or would like more information about South Lebanon Fire Department go to [www.FightSouthLebanonFires.org](http://www.FightSouthLebanonFires.org).

### Transition of Leadership: *Honoring the Past, Embracing the Future*

#### Fond Farewells:

The Township bids a heartfelt farewell to **Chief Jeffrie Marley, Jr. and Deputy Chief Andrew Ventura** who **retired as Chiefs** from the South Lebanon Fire Department. Thank you for everything you have done for the Township and the Fire Department during your leadership. You both will be greatly missed.

#### Promotions:

Congratulations goes to **Brian Kleinfelter** who was **promoted** from Assistant Chief to the position of Chief! The Township is confident that Brian's passion and commitment to the Fire Department will continue as he steps into his new role as Chief.

#### New Hires:

Please join the Township in **welcoming Gary Verna, Jr. as the new Deputy Chief and William Weikel as the new Assistant Chief**. Here's to new beginnings and the exciting journey ahead! Welcome aboard!

### Put a Freeze on Winter Fires with these Home Heating Safety Tips

Winter is coming and when the temperature drops, many people find comfort in curling up by a fire or heater.

**Please keep these safety tips in mind as you stay warm and cozy this winter.**

- Establish a "kid free zone" and **keep anything that can burn at least three feet from any heat source.**
- Keep portable generators **outside** and as far away from windows as possible.
- Make sure heating equipment, chimneys and vents are cleaned and inspected every year.
- **Cool ashes before putting them in a tightly covered metal container and keep it outside at least 10 feet from your home or nearby buildings and fences.**
- **Plug only one heat-producing source (i.e. space heater) into an electrical outlet at time.**
- **PLUG DIRECTLY INTO A WALL OUTLET!!! DO NOT USE AN EXTENSION CORD!!!**

#### Keep Hydrants Clear

Winter storms can lead to fire hydrants being buried under snow and ice, making it difficult for firefighters to access them quickly. If you have a fire hydrant on or near your property, **please consider clearing a two to three foot perimeter around the hydrant to allow proper access for the firefighters in an emergency.**

**Ordinance 324** allows for the use of recreational burn pits that are **15 feet from any building, property line and road line.** Burning of leaves paper refuse or other material or substance of any kind, including, without limitation, any recyclable materials is **PROHIBITED** as defined by the PA DEP.

## Be Stormwater Smart - Prevent Pollution

- ◆ Only allow rain water to enter storm drains and inlets.
- ◆ **No leaves, no grass, no trash.**
- ◆ **Never dump anything into storm drains or streams.**
- ◆ **It is illegal to allow grass clippings in the street.**
- ◆ Pick up after your pet.
- ◆ Use least-toxic fertilizers and pesticides.
- ◆ Check your car for leaks and recycle your oil.

- ◆ **Wash your vehicles at a local car wash instead of in your driveway.** This will help keep harmful detergents and soaps out of the streams.

**Report any spills or suspicious dumping to County Dispatch at (717) 272-2054.**

## Dry Detention Basins

**Q: What is a dry detention basin?**

A: A dry detention basin captures stormwater runoff temporarily (e.g. 24-48 hrs) to reduce downstream flooding and allow particles and pollutants to settle and reduce peak flow rates.

**Q: Do basins follow the grass ordinance?**

A: No. Dry detention basins are only required to be mowed twice a year (once in spring and once fall), but can be more if needed during the growing season. Grass in a detention basin can be over 6 inches tall.

**Q: Who is responsible for basin maintenance?**

A: Stormwater basins or swales are the property owner's responsibility to maintain.

## Sewer Bills

South Lebanon Township sewer bills are due in: **March, June, September and December.** **PINK bills due the 5<sup>th</sup>, GREEN bills due the 15<sup>th</sup>, and BLUE bills due the 25<sup>th</sup>.** If a due date falls on a holiday or weekend, then the due date will be the next available business day.

Payments can be made via **cash, check or money order** in the office; placed in the Township drop box; or mailed to **1800 South 5th Avenue, Lebanon, PA 17042**. If you choose to mail your payment, allow plenty of time for the mail to arrive at the Township. **Payments must be received by 4:00 pm on the due date** to be considered "on time".

You can also make online payments by going to **[www.twp.south-lebanon.pa.us](http://www.twp.south-lebanon.pa.us)** and following the "Pay Sewer Bill Online" link. ***A fee will be charged for all online payments.***

**Reminder**—If you're connected to public water you will also receive a **separate quarterly bill** from the City of Lebanon Authority for your **water consumption**. This is different from your sewer bill.

### **WIPES CLOG PIPES! Disposable doesn't mean flushable.**

Place disposable wipes (baby wipes, etc.); Sanitary products (tampons, pads, etc.); Diapers, Paper towels, Cigarettes, etc. in the **TRASH** and **NOT** the toilet. **Only Human Waste and Toilet Paper should be flushed!**

Trees along the road should be trimmed to three (3) feet from the paved edge of the road and to a clearance height of fourteen (14) feet.

It is the responsibility of the property owner to trim the trees or obtain a tree trimming service in order to remain in compliance and ensure visibility and safety of those around. The Township does not provide routine tree trimming services.

### **PA SCHOOL BUS STOPPING LAW**

- When you meet or overtake a stopped school bus with red signal lights flashing and stop arm extended, you **MUST STOP**.
- When you approach an intersection where a school bus is stopped with red signal lights flashing and stop arm extended, you **MUST STOP**.
- You **MUST STOP**. at least 10 feet from the bus
- You **MUST WAIT** until the red lights have stopped flashing and the stop arm has been withdrawn before moving.
- **DO NOT MOVE** until all children have reached a place of safety.

**PENALTIES:** 60 day license suspension, 5 points on record, AND \$250 fine. ***WHEN IN DOUBT, STOP!!!***

## Residential and Commercial Recycling

Trash and Recycling collection is not provided by the township. It is up to each residential unit to contract with a local hauler for these services. *Some haulers collect more items than we require in our ordinance, so check with your hauler to be sure you are making the most of the recycling program.*

Commercial, industrial and municipal establishments must recycle office paper and corrugated cardboard as well as the items mandated for residential.

South Lebanon Township's Yard Waste and Recycling Center located at 3 Linden Road has drop off bins available for residential and commercial establishments to recycle corrugated cardboard, mixed paper, aluminum cans and bi-metal cans. Please do your part to improve recycling in our community, by placing only recyclable materials in the bin. Remember...

**WHEN IN DOUBT, THROW IT OUT!**

## RULES AND REGULATIONS FOR RESIDENTS

- Vehicles without a valid registration and inspection shall not be parked or stored on any street or property except for a completely enclosed building or approved junk yard.
- Building permits can be obtained by Lebanon County Planning at 717-228-4444 and are required to reconstruct, alter, convert, remove, add to, or change the use of existing buildings and land, or to construct a new building, structure, shed, fence, tree line or sign.
- Major recreational equipment (travel trailers, RVs, boats, etc.) shall not be stored on any lot in a residential district except if in a carport, enclosed building, rear yard or portion of a driveway not within the road right-of-way.
- Per Ordinance 356, sidewalks must be cleared of snow and ice within 24-hours after snow fall.

## *Resource Hotline Call 2-1-1*

The 2-1-1 health & human services resource hotline provides non-emergency information and assistance to residents of Lebanon County, helping to reserve the 9-1-1 system for emergencies.

- Call 2-1-1 anytime to receive free, 24/7, non-emergency health and human service information in Lebanon County from a live call specialist.
- Text your zip code to 898211 to get help.

Retired - June 2024

*Patrolman Sean McCarrick*

## *Police Department*

### *Emergency? Call 9-1-1*

If you need any kind of emergency services to be dispatched (Fire, Police, EMT), or to report an accident or incident, **CALL 9-1-1.**

**Non-Emergency (717) 272-2054**

Welcome - July 2024

*Patrolman Jacob Marderness*

## *Fire Police Help Wanted*

The South Lebanon Township **Fire Police** are actively recruiting new members. This is a good opportunity for persons looking to stay active and anyone interested in volunteering to serve the community. **No experience necessary** — all training and equipment is provided and no huge time commitment required, on average our Fire Police serve about one (1) hour per day. **For more information contact the Township at 717-274-0481.**

## PREPARE FOR WINTER

- Make sure your heat source is ready.
- Prepare snow shovels or blower.
- **Snow must be removed from sidewalks within 24 hours once precipitation has ceased.**

### SNOW PLOWING

- Mailboxes and support posts should be checked for stability to handle any plowing conditions.
- **Shake your mailbox!** If you shake it by the post and it “gives”, then it’s likely it could come lose with heavy snow this winter.
- Residents are responsible for repairing any damage to mailboxes caused by the force of the snow (and not actually hit by the plow).
- To prevent damage to lawns, property owner’s are recommended to mark their property with posts or reflective markers.
